## Birmingham Ski Club FAQ's

All persons, traveling on a Birmingham Ski Club trip, must be a member in good standing (current year dues are paid in full) at the time the trip departs and must provide the trip leader with a signed Trip Rules and Agreement form prior to the first day of the trip. It is highly recommended, to provide the trip leader with a completed and signed agreement upon payment for trip/event at time of registration/reservation. A separate Trip Rules and Agreement form is to be completed for each traveler. The Club's Full and Ground Only Package prices are based on double occupancy unless, the trip participant has purchased a single supplement.

**RESERVATIONS** – Reservations by members, for trips/events, will not be taken by the Club/trip leader, prior to the date and time established by the Club's Board of Directors. Reservations will be taken on first-come basis, upon receipt of \$200 deposit per person, for ski trips or cruises/events and payments in full for beach trips by members attending and paying for the summer sign-up party.

Deposits/registrations/reservations may be available online, at the Club's website, for most trips/events. Payments mailed to the Club or the trip leader, paid online or hand delivered prior to the Summer Sign Up Party (for those not paying for the summer sign-up party) will be considered as received after the day/time of the Summer Sign Up Party for reservation purposes.

Members please understand that, when you pay this deposit, you are in fact booking the trip.

Other deposit checks/payments will be held until additional accommodations can be obtained, if applicable. If additional accommodations cannot be obtained, the members may be placed on the waiting list for this trip or on the waiting list for another trip.

Members are highly encouraged to sign-up with a roommate, to keep the trip leader from having to assign roommates.

Reservations that remain on the waiting list after the departure will receive a full refund.

**FINAL TRIP PAYMENT** - Final trip payment, for ski trips, must be made according to the payment schedule provided by the trip leader. If any payment is not received with 5 days of the scheduled payment date, the that person's reservation will be forfeited and the next person on the waiting list will be contacted to move to the "trip list."

Only the trip leader will make movement of reservations from the waiting list to the trip list. When reservations are moved to the trip list, the balance of the cost of the trip is due immediately. There will be no visitors staying in the hotel rooms or condominiums reserved by the Birmingham Ski Club, only 2 people per bedroom. The only exception to this rule is minors staying with one or both parents. To be in the room or condominium reserved by the Birmingham Ski Club, you must be a member of the ski club in good standing and have paid for the trip via the Club.

**REFUNDS** - Members who cancel their reservation or trip are responsible for any costs or penalties incurred by the Birmingham Ski Club. These fees will be deducted from the refund payment. Additional fees and taxes that are levied on the trip, after the price of the trip has been set, will be paid by the members on the trip, as an additional fee. No refunds shall be made until after the trip returns and trip cost has been reconciled.

Cancellations and refunds will be allowed up to final payment date, set by the trip leader. If there is no member to replace the person holding the trip, then no refunds can be made. **In all cases, the Birmingham Ski Club will retain a \$50 administrative fee** plus any additional costs or penalties incurred when a person cancels from the trip. Transfers from one trip to another, not requested by the Birmingham Ski Club, are considered cancellations.

You must be able to handle your own luggage, convey yourself to and from your room and activities, remember to take your medicines, engage in the activity or physical events you have signed up for, and all other activities of your stay/day. It is unreasonable to expect any other trip participant to care for you on their vacation. If you need any assistance of any kind, you must travel with a person solely charged with your care and that person must also join, as a Club member and have paid in full for the trip, to participate in the trip. Each trip participant represents that he or she has reached the age of majority, unless they are a minor child, has read and understands the foregoing terms and provisions, and agrees to be bound thereby as a condition to participating in the trip.

**CHILDREN** - The parent or legal guardian of any trip participant who has not reached the age of majority, agrees that both such child and the legal guardian shall be bound by the terms and provisions set forth herein and the parent or legal guardian agrees to hold the Club harmless from any claim by or on the part of such minor resulting from any loss or injury or other occurrence. If a minor child, is the trip participant and they are staying in rooms with persons with whom they are unrelated or are not their legal guardian, the Club requires signed waivers from all persons in the condo or room—co-signed by the parents/legal guardian of the minor child, agreeing to have the child in the accommodations with persons unrelated to minor child(ren). Many adults who travel on our trips want an “adult” trip and do not want to be constrained by the sleep schedule, etc. that a child requires. Parents will need to work with the Trip Leader to determine a rooming situation that is safe and enjoyable for their child(ren), and complies with Lodging vendor rules, and trip payment requirements.
